VOTING IN LIMESTONE COUNTY, ALABAMA

BASIC VOTING PROCEDURE:

ALABAMA LAW REQUIRES ALL VOTERS TO PROVIDE IDENTIFICATION BEFORE VOTING.

- If the election is a PARTY PRIMARY, the voter must declare which party primary he/she chooses to vote in and then must sign the party's poll list.
- All polling places in Limestone County open at 7:00 a.m. and close at 7:00 p.m.
- You must vote at the polling place assigned to you based on your residential address.
- An election worker checks voter's name against the registered voter list for that precinct. If the voter has an "I" beside his/her name, this indicates a need to update voter information. The voter must complete a VOTER UPDATE FORM that is available at the polling place. (See Voter Update Form)
- If a voter refuses to complete the Voter Update Form, his/her right to vote will not be hindered. An inspector must challenge the voter's ballot, provided the voter meets the Provisional Ballot requirements.
- If a voter finds that his/her name does not appear on the list of registered voters for that polling place, the voter should contact the Board of Registrars or the Probate Judge for verification of eligibility. Voters have the right to cast a PROVISIONAL BALLOT provided the voter meets the requirements.
- The voter signs a poll list.
- The voter receives a ballot assigned based on residential address.
- The vote is cast.
- Any voter who wishes to have assistance is entitled to help. The voter may ask anyone (except his/her employer, an agent of the employer, or an officer or agent of the voter's union) to give that assistance. If the voter does not have a specific individual in mind, a poll worker will be available upon request.
